### ➤ INTRODUCTION:

Zulaikhah Suite is a house thought to spend a romantic elopement or a weekend with captivation. Placed in the center of the beautiful and legendary City of Ronda, very near the impressive Tagus of Ronda and surrounded by the Cave Mozarabic Hermitage of the Darkness (centuries IX-X), in the Father's typical neighborhood Jesus.

The original construction of this house, byline of the first third of the 18th century, in which it was a house of labor; once reconstructed and with all the necessary services, it has been decorated by meticulousness to turn into a place singularly unforgettable, brimming with good taste and comfort.

With their outstanding location in a garden square flecked with flowers and the gentle whispering of an Arabesque fountain, these cottages offer a chance to enjoy the peace and quiet of one of the calmest and most splendid parts of Ronda; just a few minutes walk from here is the cheerful bustle of the shopping and tourism area, with its bars, cinemas, restaurants, palaces, museums, etc., and no need for the car.

Also nearby are three Nature Reserves: Sierra de las Nieves, Grazalema and Los Alcornocales, all full of their own beauty and all offering a wealth of activities to tourists (walking, hiking, mountain-biking, white-water rafting, horse-riding, hang-gliding, parasailing, canoeing, mountain climbing, caving, bird watching, etc.).

Ronda is also on the Pueblos Blancos (White Villages) Route. The Costa del Sol is only 40 minutes away by car, with beaches at San Pedro Alcántara, Estepona, Marbella and Fuengirola, reached by a highway passing the Nature Reserves with stunning views towards the sea.

**This is the perfect place to spend a few days' holiday and take a rest, right in the Heart of Andalusia.**
